

Insurance for injuries from accidents

Academic Year 2018

Guide to "Gakkensai" ("Gakkensai" is the abbreviation of the Personal Accident Insurance for Student Pursuing Education and Research)

Cases where a student suffers a physical injury in Japan or overseas as a result of a sudden or fortuitous accident of an external origin in the course of educational and research activities. Please note that illnesses are not covered by this insurance.

Injuries covered hereunder include toxic symptoms arising suddenly from the accidental inhalation, absorption or consumption of toxic gases or substances in one breath or a physical impediment arising from sunstroke or heatstroke.

1 For accidents occurring during educational and research activities

During educational and research activities... refers to times during which you are taking classes, participating in school events, etc. See below for details!

Also covers heatstroke and food poisoning!

① You burn yourself on a Bunsen burner during an experiment

② A tent breaks at a refreshment stand during a university festival and you get bruised

③ You trip on the stairs at your university and break a bone

④ You get a black eye in a tennis tournament held at another university

1 During regular curricular activities

During lectures, experiments, training, seminars, and practical training courses (including schooling for correspondence students) and research activities under the supervision of an educator ^(Note 1).

2 During school events

During the participation of all educational activities which include the entrance ceremony, orientation, and graduation ceremony, and other events hosted by the university/college.

3 While in the premises of a school facility during times other than 1, 2, or 4

During periods when the insured is in school facilities owned, used or managed by the university for education ^(Note 2).

4 During extracurricular (club) activities

During cultural or athletic activities in accordance with the university rules and regulations and under the supervision of a student group approved by the university ^(Note 3).

Note 1 Excludes periods where you are engaged in these activities for personal reasons.
 Note 2 Excludes periods where you are in the dormitory, activities held in times or places prohibited by the university and conduct prohibited by the university.
 Note 3 Excludes periods where you are playing dangerous sports, activities held in times or places prohibited by the university and conduct prohibited by the university.

2 For accidents occurring during the commute to school or while in transit between school facilities ^(Note 4)

1 During the commute to school

While commuting to and from the residence ^(Note 6) and the school facility, etc. by reasonable route(s) and methods ^(Note 5) for the purpose of participating in regular classes, school events and extracurricular (club) activities, etc. of the university.

You hit a bump in the road while riding your bicycle to school causing you to fall and dislocate your shoulder.

2 In transit between school facilities, etc.

Between two places including school facilities with the same purpose and using the same route and method ^(Note 5) for commuting as those described in ①.

3 For accidents occurring during clinical training ^(Note 7)

Measures to prevent infectious disease from contact infection

Your finger gets pricked on a used syringe during medical practice.

Note 4 Only if the insured is enrolled in a course where coverage for personal accidents during commuting to school (abbreviated as "commuting coverage") is added to the original policy.
 Note 5 Excludes methods prohibited by the university.
 Note 6 This includes the place of employment for those who enter the university/college after passing the entrance exam for adults.
 Note 7 Only if the insured is enrolled in a course where coverage for the prevention of contact infection (abbreviated as "contact infection coverage") is added to the original policy.

Students covered under this insurance

Students eligible for this insurance are restricted to those currently enrolled in graduate schools, universities and junior colleges specified within laws such as the School Education Law that are supporting members of Japan Educational Exchanges and Services.

- The Contract Overview gives particularly important information for understanding the details of this product of insurance. Please be sure to read it before enrolling.
- The Points of Attention contain matters which may be disadvantageous to enrolling students and also other matters which are very important to them at the time of enrollment. Please be sure to read it before enrolling.
- This document does not contain all information about this insurance. Full details are given in the insurance clauses, etc. mentioned on the webpage of Japan Educational Exchanges and Services (JEES). For questions and concerns, etc., please contact JEES or Tokio Marine & Nichido Fire Insurance Co., Ltd.
* Please keep something from which subscription details can be understood, such as this "Guide" or the "Handbook for Enrollment of Personal Accident Insurance for Students Pursuing Education and Research", etc.

Contract Overview

1. Framework and conditions of acceptance

(1) Product Framework

This insurance, Personal Accident Insurance for Students Pursuing Education and Research, is a group contract between Japan Educational Exchanges and Services (JEES), the policyholder, and students, the insured (those eligible for insurance), who are enrolled in universities and colleges that are supporting members of JEES. In principle, JEES reserves the right to request the insurance policy and the right to cancel the insurance contract.

Please confirm the scope, etc. of the insured covered under this insurance on page 1.

(2) Compensation and Period of Insurance (Insurance Contract Period)

Please confirm ① conditions and types of claims payable under this insurance, ② main cases with no compensation, and ③ the period of insurance and other details on pages 1-3.

(3) Conditions of acceptance (the insured amount, etc.)

These are the underwriting conditions of the insurance (the insured amount, etc.) of the prearranged insurance courses. Please confirm details about insurance types on page 2.

2. Premiums and methods of payment for premiums

Premiums are decided based on the applicable premiums by category and other factors. Please confirm the details on premiums and methods of payment on page 2, and pay premiums as instructed by your university.

3. Maturity refunds and policyholders' dividends

There are no maturity refunds nor policyholders' dividends under this insurance.

Points of Attention

1. Cautions about common compensation

- When signing a contract for a policy rider that covers personal liability and the insured or a family member has signed a similar insurance contract (including riders attached to other insurance contracts and insurance contracts with other companies), coverage may overlap.
- If coverage overlaps, either insurance contract may cover the accident, but the other may not pay the claim. Check the differences in coverage and the premiums when considering the necessity of a rider (Please be aware that when going with a single contract, in the future if you cancel that contract or make changes such as from living together to living

separately and the insured is no longer covered, you may lose coverage.)

2. Duty of disclosure

When enrolling in this insurance, it is the insurance applicant's duty to inform the underwriting insurance company with important information (*).

• If required information is missing or the given information is different from factual information when enrolling in this insurance, the contract will be cancelled and payments may not be paid in some cases.

• The same applies when entering into this insurance contract on behalf of someone else and the information appearing in the university collective report is left out or is incorrect, either intentionally or due to negligence on the part of the insured person (person subject to the insurance) or his/her proxy, even if the contract holder or his/her proxy is not at fault.

(*) Includes matters related to other insurance contracts, etc.

3. Duty of notice

(1) Points of concern after enrollment (duty of notice, etc.)

① Please confirm the details about the obligation of reporting withdrawal from school, the procedure in the occurrence of an accident, etc. on page 3. Insurance claims cannot be paid and enrollment may be cancelled without the report notice and procedures.

② The amount of premium may change after we receive the details from you. If that is the case, we will calculate the amount for the period after the change is made on the basis of the information given in the university collective report and other documents and you will either be charged or refunded accordingly.

(2) Acceptance of a renewal contract

Depending on claims made, etc., there may be cases where we find it difficult to renew your contract for the next term or where we find it necessary to limit the conditions of insurance.

4. Commencement of liability

(1) Liability for insurance for students admitted in April begins at 0:00 a.m., April 1. However, commencement for insurance after April 1 shall be as follows.

① Enrollment of all students: If the enrollment date decided* at a faculty is after April 1, the coverage period shall commence from 0:00 a.m. of the resolved date of enrollment.

② Optional enrollment: If the date of the application is on or after April 1, the coverage will begin from 0:00 a.m. of the day subsequent to the date when students pay the prescribed premiums to the member university or college they belong to.

(2) Liability for insurance for students admitted in September begins at 0:00 a.m., September 1. However, commencement for insurance after September 1 shall be as follows.

① Enrollment of all students: If the enrollment date decided* at a faculty is after September 1, the coverage period shall commence from 0:00 a.m. of the resolved date of enrollment.

② Optional enrollment: If the date of the application is on or after September 1, the coverage will begin from 0:00 a.m. of the day subsequent to the date when students pay the prescribed premiums to the member university or college they belong to.

(3) Liability for insurance for students admitted in October begins at 0:00 a.m., October 1. However, commencement for insurance after October 1, shall be as follows.

① Enrollment of all students: If the enrollment date decided* at a faculty is after October 1, the coverage period shall commence from 0:00 a.m. of the resolved date of enrollment.

② Optional enrollment: If the date of the application is on or after October 1, the coverage will begin from 0:00 a.m. of the day subsequent to the date when students pay the prescribed premiums to the member university or college

they belong to.

*The enrollment date cannot be earlier than the date of determination.

5. Main cases not covered under this insurance

Please confirm on page 3.

6. Handling of insolvent insurance companies

In the event that the underwriting insurance company should become insolvent, there may be cases where the payment of claims, refunds, etc. is frozen for a certain period of time or where the amount of claims, refunds, etc. is reduced. Please confirm details on page 3.

7. Coinsurance

Please confirm details about coinsurance on page 3.

8. Handling of private information

Please confirm on page 3.

9. Cancellation by request of the insured

The insured may cancel enrollment upon request. For details on this policy and procedures, inquire the contact for inquires as mentioned in the "Guide" and other documents. These details should be explained to family members of the insured.

10. Insurance claims filed by a proxy

In the event that the insured cannot file a claim and when there is no beneficiary to accept insurance payments, a spouse or relative that meets the conditions prescribed by the Company may file an insurance claim as a proxy. For details, submit an inquiry to the contact for inquires as mentioned in the "Guide" and other documents. These details should be explained to family members of the insured.

11. Cancellation due to revocation of enrollment, nullification or significant reasons

○ In the event that the policyholder, the insured or recipient of insurance money engages in fraud or coercion at the time of enrollment, Tokio Marine & Nichido Fire Insurance may revoke enrollment.

○ Enrollment shall be nullified in the event that any of the following apply:

• Cases where the policyholder intended to illegally acquire insurance money or have another person illegally acquire insurance money at the time of enrollment

• The insured person's consent was not obtained when designating a death insurance money recipient (except in cases where a legal heir of the insured is designated as the recipient)

○ In any of the following cases, Tokio Marine & Nichido Fire Insurance may cancel enrollment. Note that in such cases, the company may not be able to pay the insurance money either in whole or in part.

• The policyholder, insured or recipient of insurance money caused damages or injury with the purpose of having Tokio Marine & Nichido Fire Insurance pay insurance money based on this policy.

• The policyholder, insured or recipient of insurance money is affiliated with organized crime or is deemed to be an otherwise antisocial force, etc.

• The insured or recipient of insurance money engaged in fraudulent activity with respect to the claim for insurance money based on this policy.

Check items for enrollment (confirming intention)

These check items are intended to make sure that customers may safely rely on this insurance in the event of an accident, by ascertaining that the product of insurance which customers are going to enroll in fully meets their needs and that they have made correct entries on items which are particularly important in applying for this insurance.

Please take the time to look over each of the following points.

For any questions or concerns, please inquire the contact for inquires as mentioned in the "Guide" and other documents.

1. Please make sure that the content of this product of insurance fully meets your needs in the following areas by referring to the "Guide" and its "Explanations for Important Points". If an area does not meet your needs, please reconsider the terms and conditions of this insurance:

- Conditions and types of claims payable under this insurance (including Personal Accident

Insurance for Students Pursuing Education and Research, Additional coverage for commuting accidents, and Additional coverage for the prevention of contact infection).

- Insurance benefits (contract benefits)
- Premiums and Period of insurance (contract period of insurance)
- Methods of payment for premiums

2. Have you read and understood the Explanations for Important Points [Contract Overview/Points of Attention]?
