  - Absence from school for 1 year or more in total during the period of enrollment

- Notes regarding double compensation coverage
  In case there is an insurance policy (includes insurance policies excluding special policies and insurance underwriting companies) that has the same compensation policy, the compensation coverage might be redundant. If the compensation coverage is redundant, any accidents that are within the coverage can be paid for by either policy. However, there is a possibility that the policyholder only receives compensation from one company. Please check the difference and the maximum coverage in the compensation policy and consider the necessity for the policy.

  - Full name and age of the injured party
  - Cause of accident

- On liens
  In personal liability insurance the injured party in an insured event who has the right to request damages against the insured has a lien on the insured's right to request the underwriting insurance company to pay insurance claims (excluding the right concerning insurance claims for personal injury caused by an intentional act). (A "lien" means the victim's right to receive compensation for the victim's credits from out of benefits of insurance prior to other creditors.

- Out-of-court settlement services
  Out-of-court settlement services are not available. This insurance does not offer a settlement negotiation service as an insurance company between injured parties and parties who suffered an injury or damage. In the occurrence, therefore, of an accident liable under this insurance, the insured may request the underwriting insurance company to pay claims to the extent of insurance coverage. Furthermore, please note that the admission of your liability or any agreement to the amount of damages given without approval from the underwriting insurance company may lead to the failure to receive the whole or part of the claim.

- Cancellation due to significant reasons
  In any of the following cases, Tokio Marine & Nichido Fire Insurance may cancel enrollment.
  - The policyholder, insured or recipient of insurance money caused damages or injury with the purpose of having Tokio Marine & Nichido Fire Insurance pay insurance money based on this policy.
